Re: Patent Appeal Re-Submit  
Application Number: 10/657,977  
Filing Date: 09/09/2003  
First Name of Inventor: Allan Todd Berry

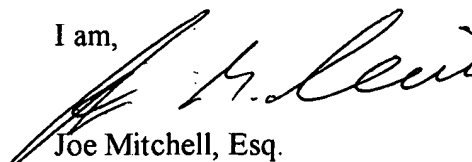

Dear Sir:

In response to your Office Action of 9/12/06, and after discussing this matter with Tim Cole, I have corrected and re-submitted the enclosed Appeal. The requested corrections were and the response to those are:

- 1) I have included a clean copy of the Claims Listing;
- 2) I have mapped the summary of the independent claims 24 and 25 (the only two left pending) to the line number and page of the specification and also where applicable to the drawing; and
- 3) The only ground of rejecting pending is a 103 one, and I have treated such ground under a heading and the claims (24 and 25) have been argued and treated as a group and argued according to said rejection.

This has been re-submitted within 30 days as per your kind request.

I am,

  
Joe Mitchell, Esq.
